Suo;- Acquisition - Land- Sandur state- Bhujangnagar village- S.No.74(1) and(4)
acquired for Harijan Keri- Exemption from payment of land revenue- Report
submitted -

S.No.74(1) measuring 1-99(acres) and S.No.74(4) measuring 0-82(acre) were
acquired in G.O.C.No.Rev.145(G.S./15) dated 28-2-49 and compensation was paid to the
parties in voucher Nos.99 and 100 on 11-3-48. The lands were not converted into
village building sites and the land revenue demand extinguished from the demand
against the ryots. The parties and the Harijans who have built huts on the lands
have put in petitions to write off land revenue on the two lands.

2. As per rule 134 of Mysore Land Revenue Code, the Deputy Commissioner i.e.
the General Secretary to the Government of Sandur is competent to alter the limits
of village site. But exemption from payment of land Revenue has to be given by the
Government as per section 137(2) of the Mysore land Revenue Code.

3. I request that S.Nos.74(1) and (4) of Bhujangnagar village may be included
in village building site limits and the lands may be exempted from payment of land
Revenue from the date of payment of compensation to the parties. As seen from the
records, the lands were occupied by the Harijans of the village prior to 8-10-46.

4. The order sanctioning land acquisition and the petitions of the parties
with the record of enquiry is herewith submitted for reference.

plc in LF & pl anti In the two cases referred to in the Collector's letters cited above,
the plots occupied by the Harijans do not seem to have been transferred to
village sites. They are transferred to village sites, exemption from L.R.
will automatically follow.

The Board therefore supports the Collector's proposal for exempting
from the payment of land revenue on the lands in both cases.

For Joint Secretary,

ls ✓

Copy of the letter C.No.G.S./Rev.215-1948 dated Sandur,
the 26th September 1949.

Subject: S.no.65/8 of Bhujangnagar - proposal to treat as
building site and to lessen the Land Revenue thereon
from the Revenue Accounts.

S.No.65/8 was a rickyard and an assessment of Rs.1-1-0 was
being collected on it. More than 25 years back one Harijan
Thimmappa bought a portion of this from the owner and built
a house on this site. He did not obtain permission from the
Government. Most probably then no a-land-Rev such permission
was deemed necessary as there is nothing to show that
~~xxxxxxwasxxxxxxnotxxxxxx~~ a Land Revenue Code was in
force then. The Revenue Department, however, went on
collecting Land Revenue thereon for over 25 years. During
the visit of the Ruler to the village in 1948, the owner
Thimmappa requested the Ruler to exempt him from payment of
land Revenue on the site.

2. Under the Mysore Land Revenue Code in force in Sandur
Government's permission ought to have been obtained under
section 63 (2) for converting the rickyard into building site
and further orders should have been obtained under section
137 for exemption from payment of land revenue.

3. In view of the oral assurances given by the Ruler
to the petitioner, action was taken in this regard and the
Mantri Mandal passed a resolution on 28.7.48 recommending
that the Land Revenue on this bit of land be reduced from
the Revenue Accounts. This could not be sent to the Ruler
for orders for obvious reasons.

4. Orders are now solicited to give effect to this resolut
(copy enclosed) As is obvious only, the Ruler could have
passed orders in this matter under the State Rules.

5. An extract from the Land Revenue (Mysore) Code is
enclosed for your information.
